**Promotion Code Request:**

Each organization gets one main code for their members to receive \$9.95 off suggested retail price. If other codes are needed (see option 2 in the fundraising starter packet), to track individual efforts and progress, use the form below. Specify a max of 33% off or a max of \$9.95 off. All codes will return 25% of the sale back to the organization.

| Code (max 25 chars)     | Description  | % or \$'s Off |
|-------------------------|--|---------------|
| ltf-sample-1 (not real) | \$7 off - Thanks for supporting us!                  | \$7 off       |
| ltf-sample-2 (not real) | 25% off - Thanks for supporting Jimmy's fundraising! | 25% off       |
|                         |  |               |
|                         |  |               |
|                         |  |               |
|                         |  |               |
|                         |  |               |
|                         |  |               |
|                         |  |               |
|                         |  |               |
|                         |  |               |
|                         |  |               |
|                         |  |               |
|                         |  |               |
|                         |  |               |
|                         |  |               |
|                         |  |               |
|                         |  |               |
|                         |  |               |

The promotion codes must be unique and no longer than 25 characters in length. The promotion code can be for a gift amount (\$5 off, \$9.95 off, etc.) or a percentage off (20% off, 33% off). Please specify.

Once the promotion codes have been made, we will contact you with exact spellings and specifics.  
**Thank You!**
